## Volume 2.4

Thursday 15 May 2025

Dear School Community,

We have been so privileged to be part of the Queenscliffe Literary Festival program again this year. Our students have had amazing opportunities to hear from and listen to some of their favourite authors over the last 2 weeks. The session that the Gr 3 and 4's had on Wednesday was also a personal highlight for me where we worked with Felice Arena, author of the Specky McGee series and many other brilliant books for young readers. He was engaging and funny and gave great ideas for how to make the writing process fun and manageable. We even staged our own Specky at the end. Huge thanks to the QLF Committee who make this happen every year and to Ange Ritchie for her organisation.

Breakfast Club has been a big hit, but as we have a number of staff attending a Learning and Teaching conference on Friday, there will be **no** Breakfast Club this Friday 16th May. It will return again Friday 23rd May. All are welcome.

There is going to be a community screening of the Documentary/film "Seen" next Friday 23rd May. We are encouraging as many families who can, to take the opportunity to attend this community screening. If you're interested, there is more about the film [here](#), but it has been described as *"SEEN is a groundbreaking feature-length documentary that not only explores the transformative power of personal healing for parents but also delves into the scientifically supported effects of such healing on parenting and its impact on child brain development."*

The details are:

When: Friday 23 May, 7pm

Where: Queenscliff Uniting Church

Cost: \$10 USD (approx \$15.80 AUD)
